

Cash Handling Policy

PURPOSE

At Kingswood, we are safe, friendly and organised. Kingswood is committed to ensuring that cash handling practices are consistent and transparent across the school.

Kingswood will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipting and collection of monies and minimise the risks associated with cash handling.

SCOPE

This policy applies to all school staff or volunteers involved in handling cash on behalf of Kingswood Primary School.

POLICY

Roles and responsibilities of staff

At Kingswood Primary School our office staff and Business Manager are responsible for managing cash at our school.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

Storage of cash

Monies are to be kept in either a controlled access safe or cash drawer during the day. If funds are kept on the premises overnight, they must be locked in our school's secured safe.

No monies are to be kept in classrooms or left at school during holiday periods.

All monies that are collected in the classroom will be forwarded to the office in the plastic pockets by the classroom teacher as soon as possible after collection.

Money collected away from the classroom or general office (eg the canteen/or by parent Club for fundraising activities) is to be handed to the office on the day of receipt unless circumstances make this impracticable. Money received away from the office must be counted by two representatives and then double counted by an office member.

Records and receipting

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer.

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Cash Handling Policy

Funds are to be banked at least weekly and at different times of the day.

No receipt is to be altered. Where a mistake is made approval must be sought before reversing the incorrect receipt.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

Fundraising

Two Parent Club members will double count cash received from fundraising activities and sign the Fundraising Collection Form. This will then be counted by a member of the administration team before being banked.

Reporting concerns

Discrepancies that cannot be accounted for must be reported to the Principal.

All cases of suspected or actual theft of money, fraud, misappropriation or corruption are to be reported to the Executive Director, Audit and Risk Division by email addressed to: fraud.control@edumail.vic.gov.au

EVALUATION

This policy will be reviewed annually by School Council to confirm/enhance internal control procedures.

Proposed amendments to this policy will be discussed with the Finance Committee.

REVIEW CYCLE

This policy was last updated on 7th November 2018 and is scheduled for review in 1 year.
