

2024 PARENT PAYMENT ARRANGEMENTS

YEAR TWO

Dear Families,

Kingswood Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Kingswood Primary School is committed to providing high quality programs and learning experiences for every child. Your contributions enable the school and its staff to provide a creative and inspiring educational program that extends beyond the standard curriculum. Whilst the school receives funding from the Department of Education (DET) for the delivery of the standard curriculum, this funding only covers the cost of the basic curriculum program which does not include the extra programs and resources that Kingswood Primary School is known for.

Without your continued financial support Kingswood Primary School may not be able to continue to offer the additional programs and resources that we are known for, such as, access to technology equipment, the Stephanie Alexander Kitchen Garden program, Science program, quality resources and additional education supports just to name a few.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

Yours sincerely,
